Message:

I find it contemptible that the Republican leadership in Texas bends to the will of Donald Trump, a delusional felon with toddler-like temperament that belongs in prison. Republicans are not doing the will of the people. They're harming the integrity of the rule of law in the State of Texas and the United States. Donald Trump will be responsible for the downfall of our democracy, and Republican leadership that rewrites the rules and refuses to fulfill their oaths to the Constitution will be complicit. I ask that redistricting be postponed until its regular interval — and then it be managed by a bipartisan committee.
