Message:

Gerrymandering must end for both political parties. The people should choose their politicians and not the other way around! I call on

our state legislators to pass legislation that would create an independent redistricting commission for our state legislative and congressional districts.

Representative democracy is a fundamental American value. It's guaranteed in both the U.S. Constitution.

Regardless of race, gender,

religion, or area of residence, we should each be able to cast a vote and know that it truly matters.
