Message:

As a voter in TX I'm commenting to state that this move toward the explicitly illegal gerrymandering of our state is wrong and should be prohibited at all costs. This move to redistribute voters into areas that will falsely increase one political party is against everything that free countries stand for and an affront to the democracy of people in TX. Myself and the people of TX deserve to live in a state that honors our voted-for desires without trying to underhandedly silence voices in opposition to a particular political party. To all the people who claim to represent the people here, I call on each of you to stand for democracy, freedom of democracy, and the people of TX by opposing this plan. Thank you.
