Message:

In my 75 years as a native El Pasoan and Texan, I've consistently been shocked and disappointed by the political actions taken by many in our government, but this fraudulent unscrupulous practice of disenfranchising a large segment of voters is beyond ethical boundaries and human decency. These nonsensical attempts to cheat and rig elections are not only dishonorable but unconscionable. Just because you can do something doesn't make it the right thing to do. Your desire to dishonor and devalue many of your fellow Texans in this manner is inexplicable and unworthy. Just like I refuse to stop voting even though I know my vote in this state is likely invalid and irrelevant, I likewise refuse to silence my legitimate abhorrence for this corrupt form of voter betrayal and unprincipled voter suppression. I hope this appeal for ethical and equitable consideration will not fall on deaf ears and hardened hearts. Thank you.
