Regarding: Congressional

Message:

I oppose redistricting off cycle. Wait for the new census to make a fair map.

Rushing this through without adequate time to review the maps lacks transparency and seems discriminatory.

While it's said that it is a politically motivated, when you look at the districts that are being considered, it seems very racially motivated and discriminatory. Do not dilute the voices of racial minorities in our state. We all deserve to be heard.

Thank you for your consideration.
