Affirm public info: I agree

Regarding: Congressional

Message:

Members of the Texas State Senate,

I don't know why I have to keep giving comment to preserve our Democracy when you have already taken an oath to do so. This "emergency" rushed, out-of-schedule process of redistricting done at the behest of your pedo, maga overlord - is a violation of the sacred trust the people of Texas gave to you (well, not me, I would never vote for you but unfortunately other, more gullible and less freedom-loving than I did). Why would you allow anyone, much less from the quagmire that is DC - which your team always professes to hate - tell you how to vote? To make you just another pawn in their project 2025 plan? To have you abdicate your oath and duty to the people of Texas? For what? If the GOP has the best; ideas, plan, people, candidates - then why wouldn't you want everyone to vote? You should be able to win on your own merits. Perhaps that is what you are so afraid of - and as you should be. You have hitched your wagon to a fascist, tyrannical dictator. But, this is where you can take a stand. A stand for liberty, democracy, fairness, honesty and the rule of law. This is your chance to allow an even playing field and see where the chips fall. If you fail, democracy will win out eventually and you will always be remembered by your children, grandchildren and the people of Texas as being on the wrong side of history. Do not allow this redistricting bill to become law.
