To make myself clear. I will not support officials who vote for mid-term redistricting! GOV. ABBOTT YOU ARE NOT THINKING! Our Texas demographics constantly change. We live in a Democracy! The White House should NOT direct Texas government. We are Texans! Governor Abbott, what are you saying to your voters? You must realize you set a terrible policy precedence with unexpected behavior and results! Creating mid-term gerrymandering policy affects our economy. It does not solve problems—it creates them. Your assumptions are based solely on historical data. Not what will happen in upcoming elections. Be careful what you wish for! ALL BUSINESSES planning and decision-making AND ECONOMIC DEVELOPMENT will be affected: short-term AND long-term. I do not support this rigged gerrymandering!
