Message:

I am against this new Redistricting plan. It's not the right time and it's not a fair process.

I also want you to know that I totally support the breaking of quorum. It's a mechanism built into Texas' system and this seems an appropriate use of it in my eyes, because the voices of many, many Texans is not even being considered - willfully.

I urge you, when the time comes, to resist this Redistricting action.
