Message:

My name is Kaylab Garcia and I live in Austin, Tx in congressional district 37. I am directly affected by this attempt of congressional redistricting. I am highly opposed to this gerrymandering. I do not support this, as it does not feel like I am being properly represented. As someone who serves in the armed forces I signed my life to the defend democracy and to defend the right that everyone has a right to be represented and heard. The attempt to add an additional 5 republicans seats does not ensure that the people are adequately represented rather to ensure that Texas does what the DOJ wants. That is not a representation of the people of Texas and must not be allowed to happen.
