Message:

As a Houston resident born and raised it is clear as day that this redistricting up for vote in the special session is in order to gerrymander Texas more for the sake of a president that was allegedly friends with Jeffrey Epstein a known and convicted sex trafficker so he can get five more seats. It was publicly talked about by the president and Abbott to redistrict Texas and it's a travesty to democracy. Texas needs fix it's infrastructure and stop blaming Democrats for leaving the state when the Republicans left Washington D.C. so they didn't have to vote on making the Jeffery Epstein files public.
