Message:

Lifelong Texan, and millennial tech entrepreneur of start-up LLC for 15 years, here. Please support President Trump by holding Speaker Burrows accountable for this embarrassing mess! Speaker Burrows and the rest of the behind-the-scenes uniparty establishment quote unquote "republicans" should be ashamed that they \*ALLOWED\* the TXLege democrats to abandon their posts and flee to Illinois, to try to defeat passage of the new Redistricting Maps, which are 100% needed. Speaker Burrows should resign in disgrace, but pass the maps before he goes. True GOP Republicans in TXLege should continuously write letters to Lt Gov Patrick, Speaker Burrows, and Greg Abbott; informing them not to think they're fooling everyday Texans with strongly-worded letters and Fox News hits. Vacate the democrats' seats, and Governor Abbott should do the writs of election to fill those vacancies. PASS THE MAPS!
