Date: 2025-07-25  
First Name: Kimberly  
Last Name: Amador  
Title: N/A  
Organization: Self  
Address: [REDACTED]  
City: Denton  
State: Texas  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

The senate's current plan to redistrict the state is a blatant example of gerrymandering, and is going to harm vulnerable populations. It is a direct violation of all democratic values that we claim to hold. Our lawmakers should be more concerned with what people actually want and need from their elected officials rather than doing whatever they can to stay in office including licking the boots of the Trump administration.
