Message:

Dear representatives,

I write in strong opposition to the redistricting effort being imposed by Greg Abbott under the clear bullying tactics of Donald Trump. Illegal gerrymandering of our state is a direct imposition and threat on the democracy of Texans. It will further silence important voices of fellow Texans and ensure that we are not represented fairly in our political bodies, even more so than we already are. It is a bullying political tactic on the part of the Republican president to all Republican representatives. I call on each person who is supposed to represent us—the state of Texas and her people, NOT the President—at the state level to abide by the voted-on decisions of their constituents and not unfairly and illegally silence voices of a single Texan.

I urge you: speak for us. Do the right thing. Do your JOB. Thank you.
