Message:

Texas Senate Progress? Yesterday (8/7), the TX Senate Committee on Redistricting passed the US Congressional redistricting map out of committee.

The map has not yet been scheduled for a floor vote because NINE TX Senate Democrats just happen to be in Boston at a national legislative conference while rallying against Texas redistricting in photo ops!

BIG QUESTION: Why did Lt. Gov. Dan Patrick sit on redistricting until Week 3 of the special session? At this rate, Florida will pass their map before Texas does!

Get to work or resign and get out if the way!!!
