Message:

Thank you for your service as you make decisions regarding redistricting.
The process of redistricting now as a result of Trump telling us to is ludicrous. We saw redistricting in 2021 and we do not need it done again right now.
The new maps do not make it easy for state lawmakers to assist the people in their districts.
The geographic lines make no sense.
I am counting on you to lead us with integrity. Do not pass this new map.
