Regarding: Congressional

Message:

I object to the plan to redistrict Texas' Congressional districts mid-census. In the last presidential election Republican candidate Donald Trump received 56% of the Texas vote. Republicans currently are elected in 25 of the 38 congressional districts or 66%. In other words, Texas is already gerrymandered in favor of Republicans. This new redistricting is a blatant anti-democratic (small "d") action intended to disenfranchise Texans who disagree with Republican Party policies and the Trump administration. Texas Senators, please do your duty and vote to fairly represent ALL Texans, regardless of party. Vote for Texas, not Donald Trump. Thank you.
