Message:

As an Independent voter I always look at all sides being presented and the reasons behind what's being presented. I am convinced that redistricting at this time just because this President asked does not represent the majority of voters in Texas. If this same request was made by a Democratic president, Republican politicians would be up in arms. Please vote to stop this entire process and focus on protecting our residents in the hill country and other vulnerable areas in our state from repeated flooding. That is what was stated by the Governor when the special session was requested. The way the Republicans are portraying the Democrats as criminals to be hunted down is ridiculous and embarrassing to every resident of Texas. Please stop this madness before it becomes worse.
