Message:

How dare you?

How dare you change district lines to suit a racially biased  
Change so that the GOP can pick up more seats.

How dare you bow down to an administration that is  
blatantly racist and do it all in the name of progress?

How dare you enable a dictator wannabe and do it in the  
name of the American people?

This IS NOT the America that was designed by our  
founding fathers.

This is a deliberate dismantling of our democracy. And if  
you allow this to continue you need to call yourselves who  
you are: coup enablers who will live on this wrong side of  
history because you were too weak to stand up to a bully
