Message:

I strongly oppose the current redistricting proposal because it undermines fair representation for all Texans.

I urge you to reconsider the proposed redistricting plan. It unfairly fragments our community, weakens minority representation, and appears to prioritize political interests over the voices of real Texans. We deserve districts that reflect our shared values, geography, and diversity—not maps drawn behind closed doors for partisan gain.

Gerrymandering—whether for partisan or racial reasons—erodes public trust in our democracy and must be rejected.
