Message:

I am a lifelong Texan, a voter in every election and I am totally sickened that the elected representatives of my state are AGAIN working overtime to strip the right to honest representation to gerrymandering!

Gerrymandering has no place in the state of Texas. You want your sports teams and elected teams to be honest and play by the rules. But you are planning to change the goal line and penalize the opposing team just for existing, since you don't think you can win fair and square.

This is the latest disgrace by Texas Republicans. Shame on anyone who works to cheat the system.

Please vote against this latest ploy!
