Message:

As a proud and concerned Texan, I STRONGLY oppose any attempts to redraw legislative districts in a way that undermines fair representation. The practice of illegal gerrymandering poses a direct threat to the integrity of our democracy and to the foundational principle that every Texan's vote should count equally. Redistricting should not be used as a form of power to silence communities. I want each member of the Texas Legislature and the redistricting committees to reject any maps that disenfranchise voters and dilute community voices. Texas belongs to all of us, not just to those in power.
