Message:

The redistricting, which is not due until 2031, is a blatant act of gerrymandering that disenfranchises the black and brown Texans. This is not an unusual occurrence for Texas, which is deeply shameful and undemocratic. This act was brought on by the insistence of Donald Trump, a man that Texas seems to revere as a king rather than a president. I urge you to do the noble thing. I urge you to do the democratic thing. I urge you all to take Texas from a laughing stock and make it a state to be proud of. I urge you to NOT undergo this redistricting plan.
