Message:

I urge you to resist the president's demand that Texas perform a mid-decade redistricting.

The president's policies are hugely unpopular with the electorate. He is terrified about losing control of Congress, so he came up with this redistricting scheme to allow politicians to choose their voters —instead of letting voters choose their elected representatives.

Republicans cannot win without cheating! You are a dastardly, corrupt bunch of miscreants. You are unscrupulous, unethical, and hypocritical and have motivated blue states to take action to counter your stupid power grab.

You are supporting a pedophile who acts bizarrely and cannot speak coherently. You have hitched your wagon to the wrong horse!
