Message:

I am angry with TX Republican House Speaker Burrows and disgusted that his “leadership” ALLOWED the Democrats to break quorum to stop the Trump Agenda. Through the years of his “leadership,” Burrows has consistently acted to undermine the People’s directives. Lt. Gov. Dan Patrick is COMPLICIT, as proven by him WAITING until WEEK 3 of the special session! Dueling press releases and televised table-pounding by statewide officials (including Sen. John Cornyn) DO NOT hold up to legal scrutiny and are only designed for political oneupmanship to fool the masses. AND WE ARE NOT FOOLED! YESTERDAY the TX Senate Committee on Redistricting passed the US Congressional redistricting map out of committee. This legislation is “ready to roll” – and elected representatives are MIA. Either get busy and DO YOUR JOB, as you were elected to do, or there will be a clean sweep of the TX Legislature AND Governor in the next election.

Thank you for your attention to this matter!
