Message:

This redistricting plan is a blatant power grab by the Republicans and a direct slap in the face to 1/2 of Texas residents who are NOT Republicans. You are elected to support your constituents for the entire state and not just the wealthy ones who donate money or support your one sided views. As a long time multi generation Texas (back to Texas land grant generations) I have never nor will ever support the republicans of this state. Do not cheat like this. Do not embarrass the state of Texas and wind up on the wrong side of history.

If you can't win an election fairly then how about you start listening to the people of Texas and what they want. We care about our land, resources, air, natural beauty and the safety and health of our neighbors.

Gov Abbott - stop this nonsense and maybe read a history book or two and learn what happens when cavillations get to the point we are moving towards.
