Message:

I join all those loyal and patriotic Texans who are against redistricting & racially gerrymandered maps.

You already know all the facts and all the partisan issues.

You already know this redistricting is all and only about pleasing Trump by vainly trying to preserve his power against the will of the majority of citizens.

You know this wouldn't be happening if Trump wasn't continuing to lose support due to all he's doing to hurt the average American and the American economy.

So are you going to try to placate a somewhat crazy tyrant?

Or do your part to preserve our democracy.
