Title: N/A
Organization: Self
Address: [REDACTED]
City: Houston
State: Texas
Zipcode: [REDACTED]
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

The continued gerrymandering of this state is unacceptable. The constituents deserve more representation than what we've been given simply because the insecurity the party has. I'm tired of seeing this repeated over and over again and needs to stop. You are public servants who are supposed to speak and represent us not individuals who are rich and scared of the people. Remember your job which is to make honest and fair decisions for the citizens of this state.

Thank you
