Message:

Vote against gerrymandering the state. If you support further gerrymandering the state then do the following:  
Ask yourself why you revel in seeing the cruelty you impose on others.

Ask yourself why you hate certain people so much.

Ask yourself why you believe that only your thoughts are correct and nobody else's.

Ask yourself why you are willing to align yourself on the same team as a pedophile and an administration full of pedophiles and criminals.

Ask yourself why you are driven by greed and a desire for the feeling of power.

Ask yourself why you feel that you deserve the whole world while others deserve nothing.

Ask yourself why you lack courage, integrity, bravery, or compassion.

If you believe yourself to be a Christian, ask yourself, why is it that everything you do goes directly against Jesus Christ's teachings.

If you think you're better than everyone then why don't you act like it.

I can guarantee a lot of you have familial issues, had unstable childhoods, irregular relationships, low self esteem, and/or a lack of confidence. If you think to yourself right now none of that applies to you; your parents raised you to respect those who have money and power instead of valuing those that have an ethical and moral compass. You must be a soulless creature with a nonexistent shred of humanity. I feel deeply sorry for you, and hope that you are able to realize before your last breath that you could've been a positive change to humanity.
