Message:

Spending time and effort trying to redistrict in the favor of the party that has been in charge for 30+ years (and has done little to nothing to actually improve the lives of everyday Texans) is gross. There are so many other things that need to be focused on. We literally just had so many deaths in the Hill Country because of piss-poor leadership and planning. Grow up. Man up. Do the job that you were elected to do which is to represent and help the people of Texas - not be the lap dog for billionaires, Greg Abbott, and Donald Trump.
