As a native Texan, I have great interest in conversations on HB 4 - my native parents and grandparents were die hard democrats - however the character, polices, and evilness of the party are unrecognizable to the previous party that my ancestors knew.

The no's panel reps for HB 4 being televised is an example of the sad downfall of the Texas pride we love. Have any of these people watched their US reps and observed their character? The evilness, bitterness, hatred and dishonesty of the Democrats is the downfall of America - Even the Baptist Church Rep inferring the party who encourages abortion, child transitioning, perjury - defending federal illegal murderers over Americans -is disgusting - I could go on it - and Trump was not convicted of Federal crimes - a civil suit was filed and settled - another example of what these NOs stand for — THANK GOODNESS for HOUSTON REP WESLEY HUNT - other examples such as Green, Garcia- and CROCKETT are a disgrace to TEXAS -

Please keep in mind we proud longtime / native Texans request our pride and respect to continue for generations - “EVEN KEEP AUSTIN WEIRD “ is becoming a “ good ole days time”
