Message:

I am against redistricting during this special session! This is blatant power grab for Republicans in Washington. You are supposed to represent all Texans. You work for the people of TX, not for Donald Trump. This is not a census year and is certainly not the time to consider redistricting! Do the right thing; focus on Texans in need - not yourselves. Gerrymandering - the manipulation of an electoral constituency's boundaries so as to favor one party or class; gerrymandering protects the party lines and keeps bad incumbents in power.
