Message:

I am STRONGLY opposed to the proposed Congressional redistricting plan that the Texas Senate is considering for approval. The entire process to redraw our state's Congressional map has been undemocratic and extremely unfair to TEXANS, the people who TX legislators are elected to represent. This measure was advanced out of committee this week despite 492 Texans registering and testifying against it, versus only a few dozen registering in favor. This redistricting plan is not in the best interest of Texans. It is blatant pandering to the White House and Republican leadership at the federal level. I urge all members of the TX Senate Special Committee to do what is right and NOT advance this measure in any way.
