Message:

I am beseeching my state representatives to please oppose and dismantle this blatant republican attempt to rob our state of fair and equal representation. This attempt to horrifically re-map the districts of Texas simply to appease them tyrannical whims of our current fascist leader of our broken nation is sad, unfair, and severely detrimental to so many people. It is offensive that republicans believe themselves to be above the rights of others who do not agree with them. This attempt to redraw the Texas map is the beginning of the end.
