Message:

The idea of redistricting the Texas legislature's maps for the sole purpose of "keeping Texas Republicans in power" is not only shameful, it goes to the acquiesce of Texas politics to Trump's Ignorance of rational governance.

Keep redistricting to the normal 10 year schedule.
If you don't, nothing will ever get done to help Texans bc the squabbling will never end.

Man up and do something good for your constituents.
