Message:

Please pass the redistricting and please say it loud for all the people in the back that what you are doing is allowed by law as you can  
no longer base districts on race, per the courts decision on this topic, say it over and over until it sinks in to their think heads.

Please remove & replace the runaway Dems from office - could care less if arrested or not - I want them removed for dereliction of duty  
and accepting bribes from Beto and Soros to fly on the get away plan and stay in the hotel.

Please also pass NO tax payer funded lobbies

Figure out a way to block Soros Money in all Texas elections - they need to be made person non grata.....  
Soros son is married to a daughter of one of the muslim brotherhood men - these Dems have no idea who they are playing with and  
what they will actually do to this state or our country - we need to take action NOW.

Block Shari Law, Shari Communities, Schools etc Also we need to make it illegal for the women to wear all that restrictive clothing - it  
was just passed in Denmark - I believe.

THANK YOU FOR YOUR SERVICE
