Message:

My name is Mary Diane Baker. I live in the Canyon Creek neighborhood in far Northwest Austin. We are a politically and culturally diverse neighborhood within the City of Austin, Travis County, and Round Rock School District. Most of my neighbors work in the tech industry and value our neighborhood because of the good schools. We have owned our house for 24 years and during 22 years of that time, we have been gerrymandered into districts with whom we share little in the way of common ground. I have been thrilled in the past two years to finally have someone who represents me who shares my values. This new map takes our tiny little neighborhood and places it in District 11 with Odessa and San Angelo with whom we share practically nothing in life experiences and world view. I, a 73 year old white woman, am very angry that once again I will be disenfranchised. I urge you to reject this misguided attempt to give in to an increasingly unpopular President and I would worry that in the next election you will face a public that finds this effort totally unacceptable. I am active in election work and vote in every election. I will do my best to support candidates who do not give into political arm twisting next time around.
