Message:

The sole purpose of gerrymandering is to further oppress marginalized groups.  
I am opposed to opening up the session to more gerrymandered districts. Gerrymandering  
should be resisted by people of all parties.

Your constituents have waning confidence in your abilities and grow increasingly  
impatient with politics. Please just let people vote.  
I oppose redistricting, and what it represents, particularly when it is not necessary  
for anything other than political gain, especially at the behest of the current  
administration. Stand up for yourself.

Do NOT vote for this!!!
