Date: 2025-08-08  
First Name: Mary  
Last Name: Hickey  
Title: Ms  
Organization: Indivisible  
Address: [REDACTED]  
City: Tucson  
State: AZ  
Zipcode: [REDACTED]  
Phone: [REDACTED]

Affirm public info: I agree

Regarding: Congressional

Message:

Texas population data has not changed enough to warrant mid-decade redistricting, which is unprecedented.

Threatening lawmakers with arrest and/or removal for denial of quorum is not only unprecedented, but ignores the fact that denial of quorum is a long-honored tradition in Texas.

If blue states like California, Illinois and New York engage in this tactic, the Republican party may wind up losing more seats than it gains.

Do the math!
