Subject: Please Vote Against Redistricting the Texas
Voting Map

I urge you to vote against the proposed redistricting of the Texas voting map. A system in which 48% of Texas voters are represented by only 15% of the congressional delegation is fundamentally undemocratic and undermines the principle of fair representation.

Every Texan deserves an equal voice in our government. Gerrymandering disenfranchises communities and erodes trust in our political system. I ask you to stand up for fairness and transparency by opposing any redistricting plan that does not reflect the true makeup of our state.

Thank you for your time and commitment to democracy.

Sincerely,
Mary Lynn Kiely
