Members of the Committee:

I oppose the redistricting being rushed through the legislative process at the behest of a president rather than in our state's normal time frame. Texans disagree with this process, as you know from polls.

Its impetus is not from Texans. Its goal is disenfranchisement. Its process is clearly rushed to avoid public feedback.

Watching the once strong, independent Texas Legislature kowtow to this dictatorial, self-serving president makes this native Texan wonder where our strength, moderation, and pride went....
