Message:

I am writing to express my strong opposition to the proposed redistricting changes in Texas. These maps do not reflect the fair and equal representation that our democracy is built upon. Instead, they appear to dilute the voices of communities of color and manipulate district boundaries for political gain rather than public interest.

Every Texan deserves to have their vote count equally, and redistricting should serve the people—not politicians. I urge decision-makers to reject these maps and create a fair, transparent, and inclusive redistricting process that truly represents the diversity of our state.

Thank you.
