Message:

Shame on all of you. I would like to be proud of my state leaders but its politics as usual and you are as bad as our national politicians.

Quit playing games like a bunch of children. Do what is good for the citizens of Texas. We have enough

Republicans to vote for a much

needed redistricting plan and you botched it as you do so many things that would make our state a better place to live. I pray on a

daily basis that each of you that are up there for power and greed will be removed from office.
