Message:

I am a Texan, veteran, wife of a veteran and mother of the future generation of Texas children.

Gerrymandering has long been a way of silencing voices. True American and Texas ideals support that we all have a voice that we use. These maps blatantly take away Texan's voices. I do not support the continued gerrymandering of Texas, or the blatant power abuse that is seen in the new proposed maps.

As I swore when I joined the military, I will support the American Constitution and rights of Americans. Please do the same.
