Message:

I am strongly opposed to this redistricting proposition. My voice is being silenced in my own state. This is not democracy, this is a crazy power grab. We are not due for redistricting and the only reason Republicans are calling for this is because they know they would lose seats in the upcoming midterms. I am so appalled that they would erode democracy in this way and completely disregard the voices of their constituents, the ONLY reason they have power or a job in the first place. Stand with democracy instead of trying to cheat the system. You're stepping on thousands of your fellow Texans by burying their votes instead of winning their trust and support fairly.
