Message:

Our state government should not be influenced by the federal DOJ or Trump. This is a republican led effort to gerrymander Texas further because Trump asked for it. Even though it was a Republican controlled state the last time maps were drawn. Democratic-controlled states could do the exact same thing, and we shouldn't be wasting time on this! Have a moral compass and do NOT rig the game to win. If you have to cheat to win, you're pathetic. Don't be racist. Don't be influenced by big government. Do what's right for Texans!
