Message:

As one of your constituents, I'm writing to urge you to REJECT this corrupt mid-decade redistricting process and all gerrymandered Texas voting maps. I am strongly opposed!

It is clear that the current mid-decade effort to redraw the Texas voting map is a surrendering of the rights of Texans to the federal government, simply because of the Trump administration. This is blatantly wrong and it must be stopped.

Isn't Texas supposed to be independent? Why should we let the federal government tell us what to do in this case, especially since it will be our loss?

If this passes, history will show it as a cowardly step we chose to take to dismantle democracy and move towards fascism. I doubt this is what Texas wants to be remembered for.

Gov. Abbott is letting Trump control him while ignoring the real problems in our lives. Please do everything in your power to fight back and put Texans first!

Keep Texas independent and resist this capitulation to the federal government.

I strongly urge you: REJECT this process!

Thank you.
