Message:

I do NOT support anymore gerrymandering of this state. Our votes matter, our voices matter. And the democrats are being brave and fighting for US. They are the ones who truly love this state. They are fighting for our democracy. Redrawing lines so republicans can cheat to win is absolutely ridiculous. If the only way you can "win" is by cheating then you don't deserve your position. We don't want the policies you're pushing. We want change, we want better. And the Democrats are fighting for that. I stand behind them one thousand percent. We want change. We want our voices and votes accurately heard.
