Message:
Redistricting in Texas

Dear Members of the Texas Senate,

I am writing as a concerned Texan and voter to strongly oppose the current congressional redistricting plans under consideration. These maps appear to unfairly favor partisan interests over fair representation, and they do not reflect the demographic realities or communities of interest across our state.

Redistricting should serve the people—not politicians. Gerrymandering undermines our democracy by diluting the voices of voters, particularly communities of color, and by allowing elected officials to choose their voters instead of voters choosing their leaders.

I urge you to reject any maps that are drawn to entrench partisan power at the expense of fair and equal representation. I support maps that:

Reflect the diversity and growth of Texas,

Preserve communities of interest,
and

Comply fully with the Voting
Rights Act.

Please prioritize transparency,
fairness, and the long-term
health of our democratic process
over short-term political gains.

Sincerely,
Michele Montemayor
