Message:

Please vote against these efforts to redistrict. Trump's time in office is going to end soon and the stain of what he's doing will be

here long after he's gone. Be on the right side of history. Grow a backbone and remember the oaths of office that you took.

Republicans have been in charge of Texas for almost 30 years and they're destroying public education. Republicans say that they

will fix everything if you just vote them into office, but they sell out the common folk of Texas every time. Don't be a cheater.

History will not remember you kindly if you vote for this, even if you're in control of writing the history books.

Texas has become

a national embarrassment. This is not what the vast majority of Texas voters want. Stop trying to disenfranchise people. Do

better!
