Message:

I support the Congressional Redistricting. Thank for keeping our voting properly represented.

I also support the arrest and removal of those 51 Democrats who abandoned their posts, and obstructed the people's legislation.

I also support prosecution for bribery as these members accept payments from outside sources and groups to pay their fines and expenses while they fled the state.

I'm tired of grand-standing and insist that members of the Texas Congress represent their constituents responsibly and with honest intention, not empty rhetoric.
